School Board Allows Transportation Charges

The Alpine School Board held a meeting Tuesday evening. Among the routine business transacted was the allowing of \$75 to each of the three high schools for laboratory equipment. The matter of adding books on education to the district libraries for the use of the teachers was discussed. The following schedule for transportation of pupils living a distance from schools were agreed on. Children living from 2 1/2 to 4 miles away, 10 cents per day each; 4 to 5 miles, 15 cents; 5 to 6 miles, 20 cents; over 6 miles, 30 cents. This will be allowed whether the students are transported each day or whether they move into town and save the expense, provided the actual residence comes within schedule.
